ABOUT THE EVENT

This October, AfriThrive presents the Taste of Africa celebration an evening of flavor, performance, and purpose. Guests will embark on a vibrant journey across the African continent, featuring tastings from local chefs, live performances, a curated AfriThrive marketplace, and a powerful keynote conversation.

We invite you to be part of this experience, not just as a guest, but as a sponsor.

This first-of-its-kind event honors African Heritage Month and serves as the capstone to Africa Week in Maryland. All proceeds support AfriThrive's Food as Medicine initiative, which provides culturally relevant food and nutrition education to immigrant families across the region.

WHY THIS MATTERS

Your sponsorship directly supports AfriThrive's Food as Medicine initiative. A program that ensures immigrant and low-income families have access to:

- Fresh, culturally relevant food
- Nutrition education rooted in tradition
- Farm-based wellness programs
- A stronger sense of dignity and connection

Food is more than nutrition. It represents culture, identity, and well-being. Your sponsorship helps ensure families can maintain that connection with dignity and purpose.
